Main Business Experiences

Representative Director at Clearstream Banking Japan Ltd.

July 2011 – March 2017 (5 years 9 months)

Takashi Kimori (TK) worked as a Representative Director of Clearstream Banking Japan, Ltd., which is a subsidiary in Japan of Clearstream Banking S.A. Luxembourg (CBL). CBL is one of two ICSDs in the world, which manages EUR 13.5 trillion assets under custody (AUC) belonging to Deutsche Börse AG Group.

TK engaged in CBL's business promotion of custody and related collateral management to Japanese financial institutions to get new customers and also to increase AUC as well as managed administrative works in this subsidiary in Tokyo.

Manager at The Yamaguchi Financial Group

April 2008 – June 2010 (2 years 2 month)

Co-GM of Risk Control Division

In order to take care of the family at hometown (Shimonoseki), TK returned there and got a new job in The Yamaguchi Financial Group which is the parent company of both Yamaguchi Bank and Momiji Bank. TK engaged there in risk control business in the middle office.

TK also had a special assignment to supervise and to act a liaison between YMFG and Tohmatsu (Auditing Company) in YMFG's renewal project of its accounting system. YMFG could safely start their service-in of new accounting system in May 2010.

GM of Transaction Services Division of The Bank of Tokyo-Mitsubishi UFJ, Ltd. at Tokyo Head Office

March 2005 - April 2008 (3 years 2 months)

As GM of the Transaction Services division which held nearly 300 effectives, TK provided transaction services of JPY cash payments and securities' settlement with worldwide financial institutions, as well as TK offered them sub-custodian services in securities denominated in JPY.

Co-GM of Treasury Division of The Bank of Tokyo-Mitsubishi UFJ, Ltd. at Tokyo Head Office

February 2003 - March 2005 (2 years 2 months)

As a co-general manager of Treasury Division, TK engaged in Forex and Funds business both in interbank and customer trades.

GM of European Treasury Office (London) at The Bank of Tokyo-Mitsubishi, Ltd., after experienced in The Bank of Tokyo, Ltd. in Brussels, Paris and in Tokyo

April 1978 - February 2003 (24 years 10 months)

After having experienced some managerial positions in Treasury Division of The Bank of Tokyo, Ltd. in Brussels('82-'84), Tokyo('87-'88, '93-'00) and Paris('88-'93), TK worked as GM of European Treasury Office which located in London and supervised the treasury business of all European offices of the bank.

Taking advantage of long experience in the front markets and its managerial business in European branches of BOT in '80s and '90s, where TK experienced many EMS parity realignments, the collapse of USSR after the demolition of Berlin wall in '89, TK could constantly develop the treasury front activities of BTMU's European Treasury Office in London, even under the liquidity scarcity just after the Sep11 attack.

Other Business Experiences during the Working Period in BTMU

Member of the Board at SWIFT

March 2005 - April 2008 (3 years 2 months)

TK worked as a member of the Board of SWIFT elected by the Japanese financial community of SWIFT users. In the Board, TK also worked as a member of the Banking and Payment Committee in SWIFT.

Member of the Board at CLS Group Holdings AG

March 2005 - April 2008 (3 years 2 months)

TK worked as a member of the Board of this holding company of CLS elected by Japanese users' community, attended to the board meeting which took place every 3months.
