

Victor WERA

Management graduate

Contact: 00352 621 67 89 46

wvictor931@gmail.com

Location: Luxembourg, Mertzig

Born in 1993

Nationality: Luxembourgish and Belgian

Young ambitious graduate ready to prove himself to the world. Speaks 5 languages including basic Japanese. Many interests including the world's state coupled with a high level and multidisciplinary education focused on economics and management. Can organise myself, work independently or in a team and able to handle much data.

Languages:

- French (mother tongue)
- English (fluent)
- German (fluent)
- Luxembourgish (fluent)
- Japanese (conversational)

Note: Japanese learned through self-study, multiple summer courses at EF Tokyo language school [A2-2 level certificate from summer 2017] and a course in Waseda in 2018 [Comprehensive Japanese 2. Grade: A]

Qualifications:

- **Master's degree** in management science from Solvay Brussels School of Economics and Management (2017-2019) [mention: distinction]
 - Including an exchange semester in Waseda Business School
 - Multidisciplinary program including courses of project management and data management
- **Bachelor's degree** in economics from Solvay Brussels School of Economics and Management (2013-2017)
 - Multidisciplinary program including courses of law, accounting, and IT
- Public Primary and Secondary schools in Luxembourg (1999-2013)
 - Specialisation on economics for the 4 final years

Skills:

- Easy use of Microsoft/Libre Office, Excel and PowerPoint programmes
- Programming, basics of: html, CSS, PHP, SQL, Python
- Data analytics with Stata and Rapid Miner

Main Interests and others:

A high interest in geopolitics and current events, coupled with a wide knowledge in history, give me a clear vision of what happens in the world. Additional hobby of gaming. Was part of the university's debate club (*Solvay Debate Society*) for multiple years. Travelled around the world, with a focus on Asia Pacific and within Japan.
