Kazuhisa MOCHIZUKI

Background

- Mochizuki has almost 30 years of experience in audit, tax, transfer pricing, business restructuring and M&A advisory for Japanese, Asian, European and Hong Kong companies;
- Mochizuki started his career with one of big 4 where he specialized in multinational companies.
- Before joining Mazars, Mochizuki was the founder and managing partner of Mochizuki Consulting, a Japanese financial advisory company which has joined Mazars on 1st September 2013.
- Mochizuki heads Mazars' Japanese Desk which aims to promote and support cross-border transactions across Asia while having a strong focus on China-Japan related businesses.

Relevant experiences

- His deep knowledge in international, Japanese and Chinese accounting standards, tax and business regulations as well as the best practices of business operations.
- His experience in assisting a large number of international companies to set up their businesses in Japan and China by providing on-going advisory services throughout their corporate development (audit assurance service, corporate merger and acquisition advisory service, tax advisory service, internal control and corporate governance compliance advisory services)
- His experience in coordinating audit assignments for large international groups presented in Japan and China.
