*Want to improve your business
skills and learn how to write a professional
business plan in a multinational environment?
Then check out JMEC!*

WHAT IS JMEC ?

A Tokyo-based business training program organized by 18 foreign chambers of commerce in Japan since 1993.

A 7-month program designed for full-time working professionals with lectures on Saturdays.

A program to support mid-career managers develop practical business skills and hands-on experience.

A program that attracts men and women from Japan and other nations with diverse professional backgrounds.

WHAT WILL YOU DO ?

Part 1 : Participate in a lecture and workshop series with experienced executives, business owners and entrepreneurs as instructors.

Part 2 : Work in teams of 4-5 people to research and write a complete professional business plan for a business client.

Upon successful completion, participants receive an official JMEC program certificate.

WHY DO IT ?

To gain valuable insights into the Japanese Market and international business practices.

To work with a multinational group of people of diverse professional backgrounds—engineers, accountants, designers, sales managers, finance and administration managers, and others.

JMEC alumni have been promoted and advanced their careers due to the JMEC experience and skills.
