

DIGITAL TRANSFORMATION SEMINAR

The Embassy of Belgium, together with the Belgian regional trade offices, cordially invites you to a seminar to explore the digital transformation in Belgium and Japan. Join us for an interesting opportunity to hear more about the latest developments in digital technology and the potential for cooperation between both countries. The seminar will bring together speakers from both the public and private sector who will share their knowledge. The seminar will be held in a hybrid format, allowing participants to attend either in person at the Embassy or virtually. For those attending at the Embassy, a networking reception will follow the seminar. We look forward to seeing you on June 8.
