FEBRUARY, 7

## PRE REGISTRATION IS OPEN!

**Smart Manufacturing Summit by Global Industrie, dedicated to Japanese and European innovations in the industry 5.0., will take place from 13th to 15th March 2024 in Aichi Sky Expo, Japan.**

If you don't have registered yet, follow the link just [HERE](#).

Read our last newsletter and find out why this event should absolutely be in your agenda next month!

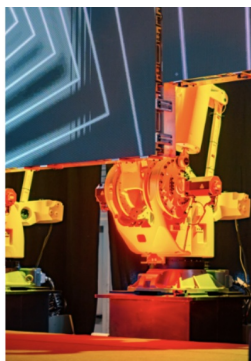

## 01. A UNIQUE PROGRAMME FOR A FIRST EDITION

**The Smart Manufacturing Summit by Global Industrie offers a unique format** based on :

- Classic exhibition and demonstration areas around 6 industry categories,
- C-level speakers leading panel discussions, keynote sessions and pitches at the Business Summit,
- A Startup and Innovation corner, connecting the most promising industry startups with industry leaders, corporates, innovation ecosystems and institutional partners
- Factory tours, allowing you to deep dive into the Japanese manufacturing

**Benefit from our matchmaking solution** open to all participants to meet potential business partners and develop your network.

Join our community of **240 stakeholders** leading the event (companies, institutions, startups, speakers...)
