

Abbas Kudrati

Microsoft

Director / ASEAN Chief Cybersecurity, Risk and Compliance Advisor

Abbas Kudrati is a highly experienced cybersecurity practitioner and CISO, currently serving as Microsoft Asia's Lead Chief Cybersecurity Advisor for the Security Solutions Area. Alongside his work at Microsoft, Abbas serves as an executive advisor to multiple prestigious institutions, including LaTrobe University, HITRUST ASIA, EC Council ASIA, and various security and technology start-ups. Abbas also actively supports the wider security community by mentoring students and working with ISACA Chapters.

As a bestselling author, Abbas has published several books that have become industry-standard references, including "[Threat Hunting in the Cloud](#)" by Wiley, "[Zero Trust and Journey Across the Digital Estate](#)" by CRC Press, and "[Managing Risks in Digital Transformation](#)" by Packt. He is also the Technical Editor for two books, "[Effective Crisis Management](#)" by BPB and "[IoT Security with Microsoft Defender for IoT](#)" by Packt.

In addition to his writing, Abbas is a part-time Professor of Practice with LaTrobe University and a sought-after keynote speaker on topics such as Zero-Trust, Cybersecurity, Cloud Security, Governance, Risk, and Compliance. His extensive experience and knowledge make him a valuable asset to any organization seeking to improve its cybersecurity posture.
