Whenever I have the chance, I try to challenge myself with new experiences and knowledge, for example I joined projects outside of my university curriculum (in Okawamura in Belfast, and the Fresh Brains project in May in Switzerland).</p> <p>I have great leading and team-player skills, I was the captain of my football team in high-school. There were 20 players I had to organize and be responsible of. It taught me to be organized, open-minded and respectful. Also, in my study I have a lot of group project with people from different specialisation and I often naturally take the lead.</p>

ブライスは、徳島市で私たちが展開しているボランティア活動において約半年間に渡り献身的に活動してくれました。多国籍メンバーで構成されたチームの中でリーダーシップを発揮して効率よく活動が実施できるように調整役をしてくれたり、それぞれのメンバーがモチベーションを高めて活動にとり組めるように気を配ってくれました。またボランティア活動で訪れる施設と私たちの団体が円滑にコミュニケーションが取れるように連絡や報告なども丁寧に行ってくれました。何事にもチャレンジする時には不安が出るものですが、彼にはそれを乗り越える精神力があります。そして、他人を思いやる優しい心の持ち主です。

Discussions with Brice is always interesting as he has very clever ideas and thoughts about the Built Environment. Brice is a very respectful and eager student (in probably one of the most relaxed ways). It always seems like nothing can create stress for Brice. It is great having Brice in the Built Environment program, he has a natural ability to understand certain planning elements already.
