*The Ambassador*

No. 2020/153

**TO WHOM IT MAY CONCERN**

Every year on November 15<sup>th</sup>, Belgium celebrates the Belgian King's Day.

As in the past, The Japan News *by the Yomiuri Shimbun* is planning to publish a special supplement on Belgium on November 15<sup>th</sup> 2020 to commemorate the event.

Such a special supplement would further promote the friendly ties between Belgium and Japan. Therefore, I take the liberty to invite you to consider contributing to this special supplement.

Many thanks,

Roxane de Bilderling
